The  
Growth  
Company

If you are aged 16 - 18 we understand taking the first steps after school can be challenging. That's why we have unique programmes and support teams in our centres based in local communities, near to where you live.

Our tailored programmes are delivered across eight centres in Greater Manchester and St Helens. They are designed around your needs and when you join us, your programme will likely include:

- A nationally recognised qualification
- English and maths skills and qualifications
- Work experience
- Employability skills
- Enrichment activities
- Tailored individual learning plan to suit your needs

### Guidance and support available to you

- Smaller class sizes
- One-to-one support from a designated key worker
- Additional learning support
- Bursary of up to £40 per week (subject to certain eligibility criteria)
- Breakfast club for all learners
- Free hot drinks and kitchen facilities for use throughout the day
- Experienced staff who understand and can support additional learning needs
- Our students can talk to us at any time about whatever might be troubling them

We're here to give you the best experience we can, supporting both your education and any areas of personal development you might need.

# ST HELENS

## Training Centre

“I would recommend the Growth Company to anyone, it’s a relaxed atmosphere and a great place to learn. The second I arrived at the training centre I clicked with everyone, my confidence since then has just skyrocketed.”

## OUR OFFER

PROGRAMME	WHAT'S INVOLVED?
<b>Level 1 Health and Social Care</b>	This qualification will support you on your first experience of working within health, adult care and childcare sectors.
<b>Level 2 Health and Social Care</b>	This qualification will support you in working within health, adult care and childcare sectors.
<b>Level 1 Preparing to Work in Schools</b>	This qualification will support you in communicating with children, young people and adults as well as teaching you how to keep children and young people safe and healthy.
<b>Level 1 Essential Digital Skills</b>	This qualification will support you in learning the essential digital skills you need in the modern world of technology.
<b>Level 1 and Level 2 Employability Skills</b>	These qualifications are aimed at anyone who wants to progress in education or employment. They cover a range of skills including personal finance, effective communication and applying for a job. They also offer PHSE units such as drug awareness and understanding crime and its effects.
<b>Maths and English</b>	We offer a range of Maths and English programmes, whether you would like to improve your skills, or you need to gain your qualifications.

# experience is everything
