SUMMER PROGRAMME 2023

Longsight Training Centre

If you are aged 16 - 18 and looking for a way to keep busy this summer, then we have a great opportunity for you!

Our Summer Programme is designed to improve your employability skills with activities to build your confidence, team building and digital skills.

You can participate remotely or attend our Centre - **or a mixture of both.**

If you do not already hold a Digital Skills qualification, then we will support you in achieving this during the programme.

You can join in the practical sessions which include:

Hairdressing

Arts and crafts

Well-being support

Outdoor activities
(water sports, orienteering)

Day trips

**START DATES
FROM
1 AUGUST**
